

A TESTING COURSE

Golf can be the most infuriating, frustrating, inconsistent, self-doubting game in the world. But if it was easy, we wouldn't love it so much.

Alderley Edge is regarded as the most challenging and enjoyable 9-hole course in Cheshire, commanding fine views of the 'Edge' escarpment which rises high above the beautiful Cheshire plain.

The 5794 yard, parkland course, set in rolling meadowland, has well-wooded areas where you'll need a high degree of accuracy and careful approach shots.

The course really is a test for any golfer's game. For instance, the opening tee shot is a blind drive onto a fairway sloping steeply away from you. So keep your drive to the left of the fairway. Another thing...watch out for the ravine on the 8th! And if that wasn't enough...water also comes into play on most holes, with Whitehall Brook, a major feature, meandering throughout.

Whatever your reason for playing golf, and whether you choose the full 18 or just have time for 9, you can be sure of a warm welcome and an enjoyable round at Alderley Edge Golf Club.

MEMBERSHIP OPTIONS

We currently have membership vacancies and have waived all entrance fees until further notice.

The club operates a membership card in the form of a swipe-card for access and payment in the clubhouse, including a discount for drinks in the clubhouse. Your card also gives discounts at many local businesses and restaurants.

For all our current membership categories, fees, and offers, please see our website. We also have flexible payment options available.

VISITORS and SOCIETIES

Visitors are welcome to enjoy some excellent golf (for 9 or 18 holes) followed by some of our fantastic in-house catering.

We welcome societies and corporate groups and our excellent choice of food and golf packages will ensure that your group will have a great day out and want to return again.

Ring the Club to find out the best day for your visit, or your society, and we can put together a package of golf and a meal to suit.

THE PRESENT DAY

Today, Alderley Edge is a thriving private members' club, blending superb golfing and social facilities. We have over 350 members: men, ladies and juniors,

and we are particularly proud of the true competitive club spirit that has developed over the years. There are men's, ladies' and mixed competitions during the season, and a senior section who play regular matches with local clubs.

The junior section is very active and competes in club events and a Cheshire Junior League.

Our Club Professional, Charles Le Sueur has a Pro Shop offering members and visitors top quality golf products and services - plus a wealth of experience and help.

And if you feel you need to bring your handicap down, he can oblige with everything from a one-off lesson to a full tuition programme, on the course or in our state of the art indoor Golf Studio.

We have adopted 'equal governance' with men and ladies equally represented on committees. We are a friendly, enthusiastic, developing club, with one eye on the ball and the other on the future.

THE CLUB & FACILITIES

At Alderley, we have as much enjoyment off the fairways and greens as we do on them, with a great variety of social events during the year. Our clubhouse is modern and with facilities of the highest standards.

With two well stocked bars; a spike bar for that post-golf drink (snack meals can be ordered there), and a large function room which is ideal for large parties and major functions - available for hire to non-members. We offer a wide range of meals to suit the size of function.

Business meetings and day conferences can be readily accommodated at a rate that compares favourably with other local venues. We can configure the space you need and offer a quiet self-contained room with the necessary facilities, services and food plus ample on-site parking.

Give us a ring to find out how we could make your meeting more productive in a location with a difference. Of course, if you'd like to combine business with a round of golf we can provide that as well.

HOW TO FIND US

From Alderley Edge: take the B5085 by turning into Brook Lane from the old A34 Alderley Edge - Wilmslow Road (there is no direct access from the Alderley Edge by-pass).

From Wilmslow: at the Kings Arms roundabout on the A34 take the B5086 Wilmslow - Knutsford road. At the mini roundabout turn left on to Brook Lane B5085. The Club is then approximately one hundred yards on the left.
