 This years results comes to the fore - but last game missed - could have earned him more
 Obsessed and swamped in golfing theory, which through the years you'd think he'd weary.
 Give him his due he makes it pay - If given time enough to play
 Top attender keen contender - meets a disappointing end.
 Third place was missed - was it what he wished - to accede to his best golfing friend!???

Reigning champ, he peaked too soon - ten shot weighting called its tune - "Gents Golf" compound it with tribune.
 Was cut back down to fifteen strokes - more balanced now with other blokes.
 The Bookies favourite fades mid season - but late results show cure of reason.
 Docked shots for wins then days of rain - foiled Stephens chance at Champ again
 Keeps sneaking up the cash won stats - since got donated good mates bats
 As well he's been to Charles for coaching - is podium place next year approaching?
 Restrictions to accessing tee - through frailties of delinquent knee
 But perfect records did compute - honest , fair, beyond refute - complaints to bin he did commute

 Player with good game credential - whose form through year was incremental
 Wins have been just evidential - of things to come with full potential
 This sporting man from Wilmslow leisure - repeats last years - short raids on treasure
 His presence always brings us pleasure - but Gents Golf rep have got his measure
 Retiree from a well known baker - becomes a sneaky prize pot taker
 Plays with only half a swing but does he make that small ball zing??

Dodgy hips, boxers lips - also painful organ pips. Is it fair this guy we like - should then get scuttled from his bike
 These rough infringements go to show - the cruelest of what fate can throw - pre carding score of BIG SIX OH
